

With more consumers looking to reduce their impact on the environment, it is more important now than ever to opt for eco-conscious and sustainable brands. Below we have highlighted several lifestyle clients who are embracing sustainable products and practices, including organic products, recycled materials and lowered waste and emissions.

Hi-res images and editorial samples available upon request.

Looking forward to your feedback,  
Lindsay Flinn

**Pink Moon Midnight Melody Body & Hair Oil - \$42**

***Available on ShareASale and Skimlinks***

A multipurpose oil that can be used for the body, hair, gua sha, or cuticles. This product is handcrafted with essential oils such as organic sunflower seed, apricot kernel, and meadowfoam and is good for all skin and hair types.

**YogaClub Magic Sunset Leggings - \$88 \$40**

***Available on ShareASale and Skimlinks***

A stylish legging that is not only comfortable but eco-conscious. The Magic Sunset leggings feature a lightweight, four-way stretch fabric and are made with recycled plastic water bottles for leggings that make you feel good while doing good for the environment.

**Mo Mi Balance Candle - \$35**

***Available on ShareASale and Skimlinks***

A candle that is meant to connect you to wellbeing by creating a comfortable and peaceful space. Made with luxe coconut and apricot wax and is ethically sourced in order to have a lighter impact on the environment.

**Malaya Organics Rejuvenating Serum - \$95**

***Available on ShareSale and Skimlinks***

A 100% naturally made serum made up of phytonutrients rich in antioxidants, vitamins, minerals and omega fatty acids. This clean beauty product is made with Gardenia, Rosehip oil, and Argan oil to moisturize and replenish, leaving a brightened and youthful glow.

**YINA Bioadaptive Cleanser - \$68**

***Available on ShareASale and Skimlinks***

Rooted in Traditional Chinese Wellness and wellness rituals, YINA created this organic and wild-crafted balancing cream cleanser. This naturally made product uses White Tea and Poria powder to leave you feeling physically and energetically cleansed, opening the mind to new possibilities.

**Artifact Uprising Wood Calendar - \$30**

***Available on ShareASale and Skimlinks***

A handcrafted clipboard calendar that is unique and sustainably made. Each clipboard is made from reclaimed beetle pine local to Colorado. Customize with your favorite photographs and choice of starting month.

**Papier List Notepads - \$28.99**

***Available on Skimlinks and Awin.***

Make to-do lists more enjoyable with Papier's sustainably sourced list notepads. With made-to-order products, Papier reduces waste and carbon emissions in order to minimize their carbon footprint. All list notepads come in sets of three and have customizable covers.
